WHY KIDS NW?

KIDS NW is committed to providing an exceptional experience for everyone we work with. By creating solid, lasting working relationships built on trust and accountability, we are able to create a synergy for everyone involved. Given the opportunity, you will experience the KIDS NW difference.

Supporting Individuals of all Ages

**BEHAVIORAL SERVICES PROGRAM
FOR ALL AGES**

KIDS NW

KIDS NW is a locally owned and operated Direct Support Professional agency in Oregon, that specializes in supporting individuals with intellectual/ developmental disabilities. We work side by side with the families we serve to ensure they receive the consistent, reliable support they deserve.

We support activities of daily living, outings, community events, education support, life skills, and building confidence in their abilities. Our goal is to build a strong and lasting relationship with those we support, earning their trust through compassion, dependability, and lasting memories.

Throughout your experience, you will notice the warmth and nurturing demeanor of the direct support professionals, and our office staff. We are a dedicated team committed to supporting individuals with disabilities.

At KIDS NW, you have a voice.

BEHAVIORAL SERVICES

OVERVIEW

We provide clinical record analysis, objective behavioral observations, evidence based behavioral interventions, and on-going behavior and emotional support for the entire family.

Who are the services are for:

Families with intellectual or developmentally delayed individuals experiencing behaviors that interfere with daily activities and/or cause undue stress to the family unit are able to access behavior services.

WE VALUE

- **Each client has the ability to guide their support and be heard**
- **Each client is treated with warmth, love, and kindness**
- **Each client will be supported in a way that encourages them to live their best life**

BEHAVIORAL SERVICES

How to access the services:

Behavior services can be accessed through your DD service coordinator assigned to the client. The KIDS Team also has the capability to request these services on behalf of the family.

If you have a concern or question about services or behaviors, please reach out to KIDS directly, and you will be placed in contact with the Behavior Services department.

The benefit of the services:

Our goal is to work collaboratively with families to reduce the frequency and severity of behaviors. Families can benefit from knowing they are supported and are not alone with these challenges. With behavior services through KIDS families have consistent access to support and assistance for any questions, concerns, or behaviors that arise.
